

## *April 2007 South Coastal MA IG Letter*

*Dear Secretary: Please read several times between receipt of this letter and April 29. Thank you.*

Dear OA Sisters and Brothers,

You asked for it and you've got it.

Comments have come to the board's attention in the past month indicating that many are tired hearing about 'You Know What and You Know Who.'

So let us just say that, thanks to your generous support of energy, service and, yes, money, our Intergroup is paying off its financial amends slowly but steadily. We ask that you continue to pass the basket a second time at each meeting to help us keep moving forward.

In order to serve each meeting better, we have established two new Intergroup positions and have elected trusted servants to fill them.

Many of you no doubt have noticed the fine work of our new Webmaster, Sandi G. She already has posted our Intergroup and statewide meeting lists, all of our Intergroup correspondence and flyers and set up links to other Intergroups' events and to our Region 6 and World Service websites. Check us out at **<http://home.comcast.net/~southcoastal.mi>**

Additionally, Bill. S has been elected as our first Intergroup Liaison, an exciting post created to allow him to visit your group's business meeting, answer any questions and carry back comments or concerns you may have. A fuller description of his duties will soon be available on your literature table. To set up a visit from him, contact him through the Intergroup web site.

If you have any questions or comments in the meantime, contact the Intergroup at **[southcoastal.mi@comcast.net](mailto:southcoastal.mi@comcast.net)**, or at SCMI, PO Box 336, Hull, MA 02045-0336, or call 781-925-1903.

Also, please be part of our ever-evolving process, whether you are your meeting's rep or just want to do service. Our next Intergroup meeting is Sunday, April 29, 12:15 p.m. at Jordan Hospital Funkhouser Room.

Your South Coastal MA Intergroup Board
