

## ***Sept. 2007 South Coastal MA IG Letter***

***Dear Secretary: Please read at meetings throughout September.***

Dear OA sisters and brothers,

We're awesome!

Thanks to your ongoing generosity and guidance from our Higher Power, we are on the verge of clearing all of our debts!

We do not mean to say we are back in the black yet, because we have very little money in our Intergroup bank account. What we do have is the restoration of our good name with the three retreat centers we owed.

Now is a critical time for our Intergroup, in exactly the same way it is for each one of us who has achieved goal weight.

This is no time to coast. We must keep working to strengthen our Intergroup just as we have to stay the course on our food plan once we've reached the maintenance stage.

For now, we will continue to ask you to pass the Seventh Tradition basket, can, bag or hat so we can build a prudent reserve. A return to financial solvency will, in turn, allow us once more to host semi-annual sharathons and annual retreats, resume representation at Region 6 and World Service events and again be able to send financial support to the region and World Service Organization.

So please get active at all levels of OA, starting with your group. Now is the time to volunteer as a representative to the Intergroup. Yes, you!

If you want more information or wish to contact us go to our web site: <http://home.comcast.net/~southcoastal.mi>. If you have any pressing questions, e-mail us at [southcoastal.mi@comcast.net](mailto:southcoastal.mi@comcast.net), write us at SCMI, P.O. Box 336, Hull, MA 02045-0336 or call the SCMI phone number, 781-925-1903.)

We look forward to seeing you in person, October 7, 12:15 p.m. at the Jordan Hospital Funkhouser Conference Room, off Rte. 3, Exit 5.

Bless you all for your faith and support.

***Your South Coastal MA Intergroup Board***
